BEACH WALK PLACE HOA UPDATE

- 1. The loan payment for the HOA has been paid off. That will be a savings of \$800 per month.**
- 2. The Audit has been completed. We are waiting for the signature copy to be sent to us after the final review. Hoping sometime in April.**
- 3. Insurance premiums are on the rise...again. The Board of Directors and Semper Fi Property Management are shopping around for the best price and policy for the HOA.**
